

studio 3

vr tour

One of our larger studios, Studio 3 is great for bigger shoots. It has large daylight windows, a white infinity cove for shooting, private green room, A/C, free wifi, and direct access to the car park.

power & distribution

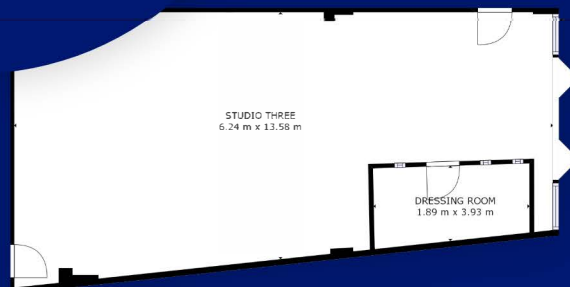

- 1 x 63a socket
- 12 x 13a sockets
- 8 x 13a sockets in makeup room

sound proofing

Studio 3 isn't sound proofed. We have had some productions shoot sound in Studio 3 without issue, however there is an air vent creating ambient noise which can't be switched off. We would recommend receiving Studio 3 if you wish to shoot sound here.
